OF HIGHLAND PARK HIGH SCHOOL
HIGHLAND PARK, MICHIGAN
NINETEEN HUNDRED AND FIFTY-FIVE

POLAR BEAR

FOREWORD

THIS IS SCHOOL SPIRIT . . . That magnetic something that makes us root for the team, sing our school song with patriotic fervor and burst with pride when we hear the name Highland Park High School . . . That character-building force among all students endeavoring to further their quest for knowledge . . . All these are part of the internal development that keeps growing, for it cannot stand still and survive . . .

DEDICATION

We, the members of the Polar Bear Staff, proudly dedicate the 1955 yearbook to the late Liberty Churukian. As editor-in-chief of the Polar Bear Staff in 1954, her outstanding work will remain in the memories of many people.

Liberty, we will endeavor to live up to the honor of winning the All-State Yearbook Award in 1954 under your guidance.

JANUARY SENIOR BANQUET

Gathered together for the last time were the Seniors at their Banquet at the Park Shelton Hotel. Heading the committee were Cornell Vanciu and Margie Koivu. Faculty advisors, Mr. James Wink and Mr. Alan Hutchins. Toastmaster was Dale Robinson. Robert Wonacott (12A President) presented the Class Key to Bob Binkelman (12B President). Entertainment was supplied by Sheran Arcaris, Eleanor Fields, Adana Grant, Luke Collins, John Sumner, Dick Yarmy, Ron Genow, Jim Vickers and Mr. George Graen, counselor.

JANUARY SENIOR PROM

The dimmed lights of the Latin Quarter and the soft music of Jack Cooper and his orchestra helped this year's January Class's Prom to swing pleasantly into the night. The Committee was headed by Co-Chairmen Carolyn Geurin and Eleanor Fields. Mrs. Rosina Roy and Miss Myrri Hight were faculty advisors. Others included Sheran Arcaris (ticket chairman), June Boehmer, Helen Haitaian, Dick Yarmy, Birt Etienne, Carol Kupalian, Philip Hay, Mary Dakesian, and Charles Brownell.

ACADEMICS

THIS IS SCHOOL SPIRIT

which is the defense of all notions.

Under the direction of Mr. Vincent Hoffman, the boys in Highland Park's fully-equipped auto mechanics classes are learning the basic skills of repairing and servicing automobiles.

This knowledge, with instructions and tips from Mr. Hoffman, aid the boys in obtaining good paying jobs after they graduate.

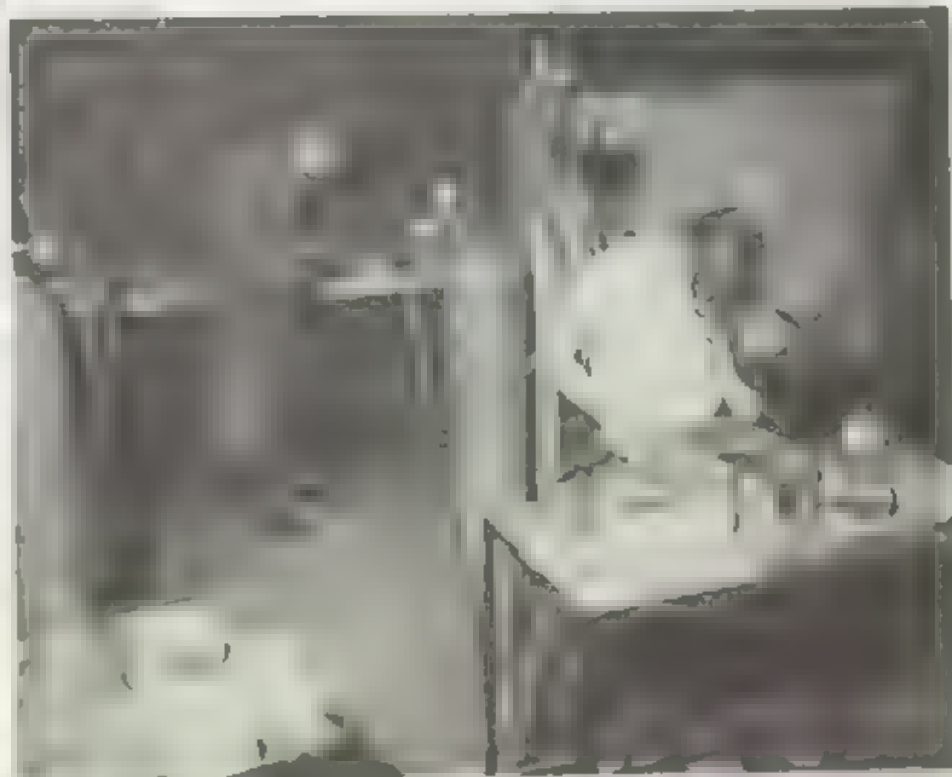

Vocational

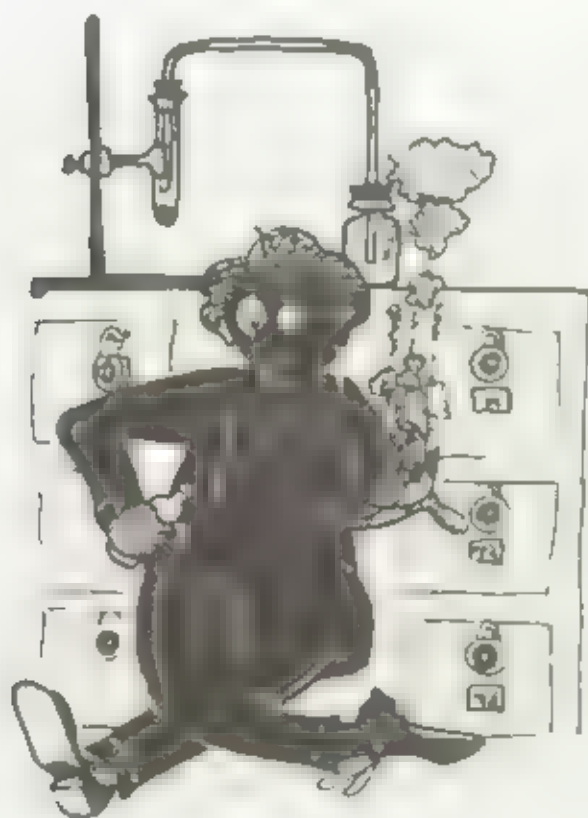

In the Highland Park welding course, students learn by working on various projects and doing repair work.

During the Christmas season, they make and sell from 25 to 100 wrought iron tree holders.

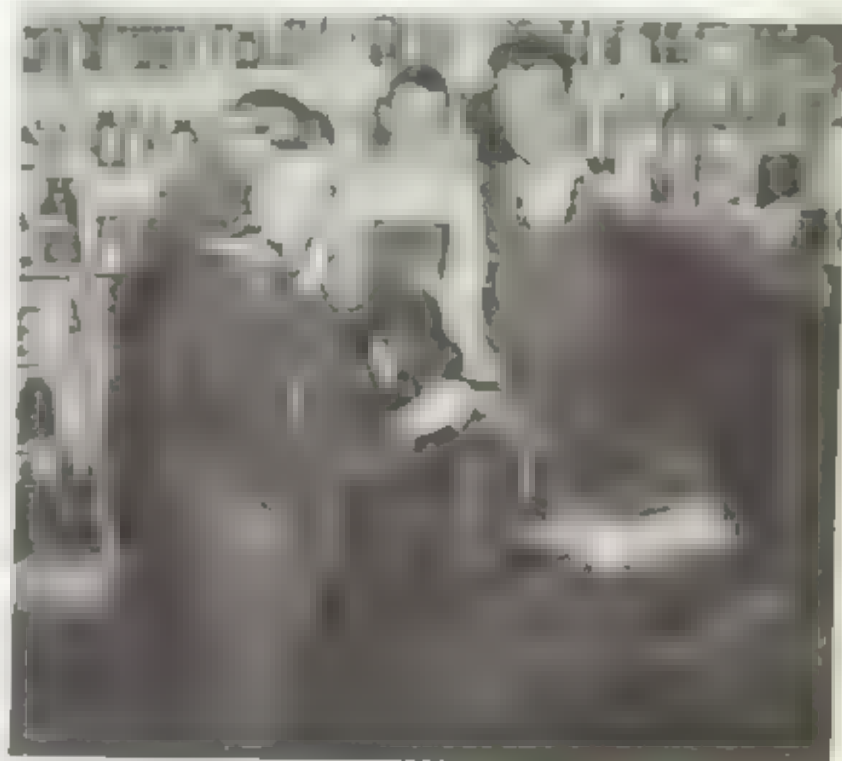

This is the only high school welding class in the state doing work in wrought iron.

In biology classes student learned about the origin, structure and function of plants and animals. One of the classes went up to Michigan State College Veterinarian School on a field trip this year. Still another class went up to Jack Miner's bird sanctuary. The lab project for all classes was raising fruit flies.

Sciences

Students planning to attend college should take up at least one of these sciences. This year the physics classes went to the Chrysler Motors Research and Engineering plant on one of their field trips. They also had the aid of audio-visual materials to help explain difficult problems. Biology also took two field trips this year. Chemistry students tried their techniques in the laboratory.

Students in Highland Park High School were offered courses in shorthand, typing and business machines. To be recommended for shorthand, a student had to have typing, and at least a "C" in College English.

One class which offered a course in calculating and duplicating machines gave students a chance to practice duplicating work for teachers on the mimeograph machine. This offered advantages for the teachers as well as opportunities for students.

Commercial

Courses in homemaking create interest toward better living today and tomorrow through individual and group experiences in foods and meal service, clothing construction and clothing care, management of money, personality development, interior decorating, house care, home care of the sick and personal and family recreation.

Home Economics

The Highland Park Nursery School had its beginning in 1924. After twenty-five years, the building was replaced with the modern structure facing Highland Avenue.

Nursery School is open to children from three to five years of age. Application is made in advance; in many cases, as soon as the child is born.

Nursery School does not only aid the younger children but it helps high school and junior college students as well. Students study child development in their daily social living classes in the ninth grade, sociology classes in the twelfth grade and psychology of family relations in Junior College.

Nursery School

Through their high school career every student must enroll in a family living class. Students discuss family life, clothes, dating and many other problems they might come upon.

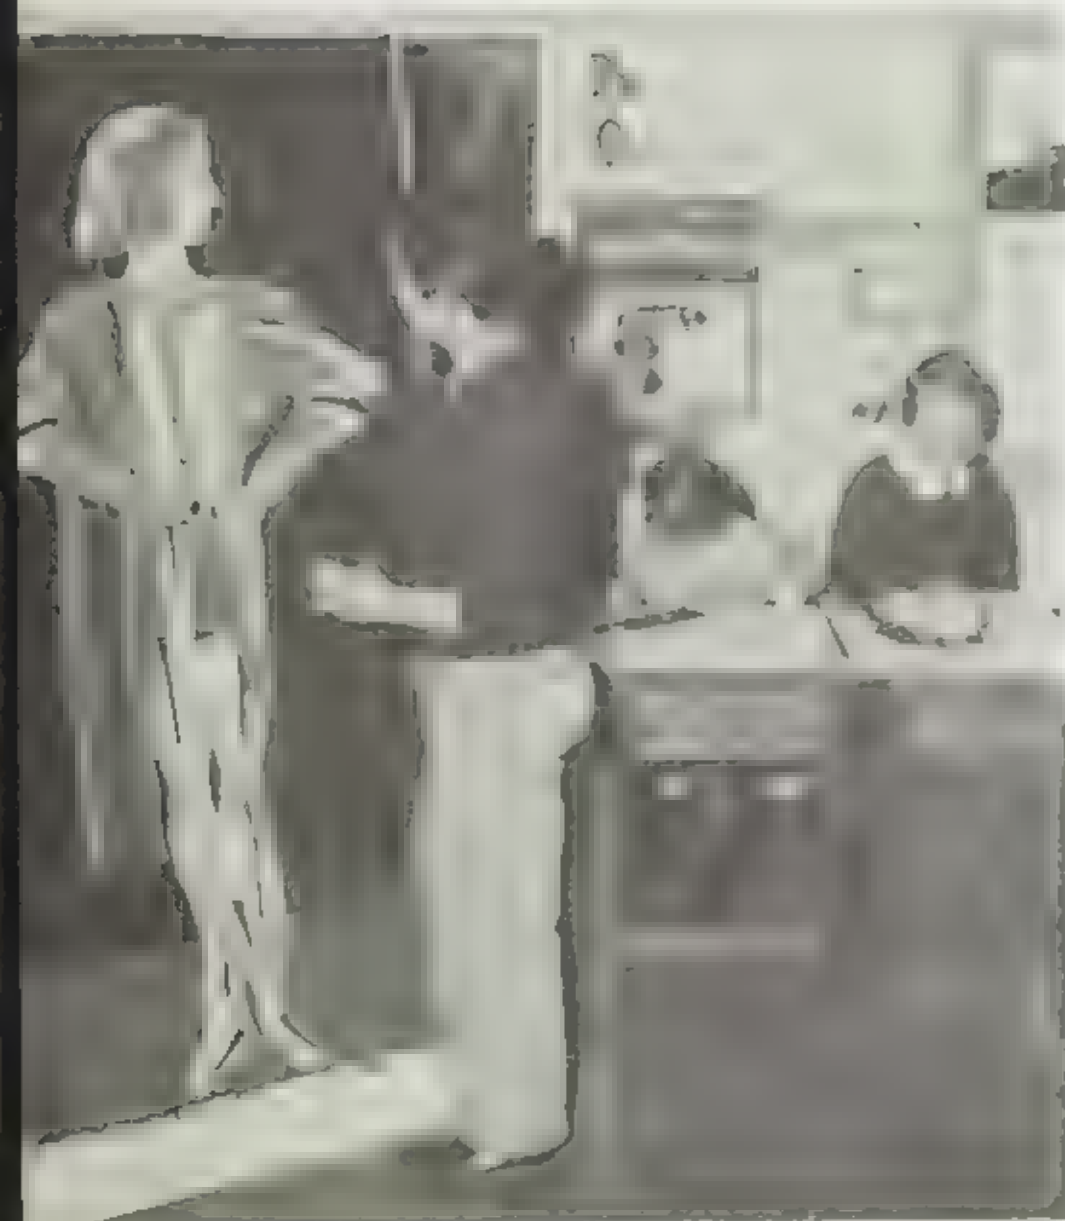

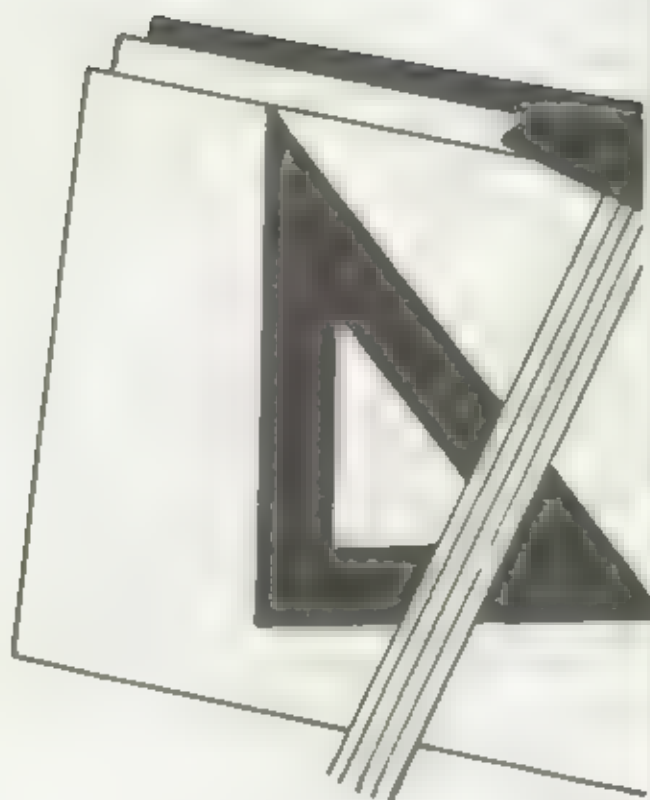

The 12th grade sociology classes discuss these same emotional problems only in a more thorough manner.

Another feature of these classes is to attend the nursery school five times. During this period these students find out how the children act and why they act the way they do.

Home and Family

A unique phase of the art department is the commercial art section. This section involves lettering, design, commercial printing and other various kinds of advertisement. Art students spend many hours throughout the year making various decorations and posters for dances, the Carnival, the plays and other school affairs.

Movies are shown so that the art students can more fully understand the technical fundamentals of art. Students need not be artistically inclined, but they should have an appreciation for art.

Students taking ceramics and jewelry had the opportunity to display their creative ability in these arts.

The ceramics class was taught by Mr. Alfred Burke. In the class the students worked with pottery, dishes and figurines.

Mrs. Florence Rahles was the instructor of the jewelry class. The students design and make cuff links, bracelets, rings, necklaces, earrings, plaques, and enamel dishes.

Radio Speech

Highland Park High School's dream finally came true last April 24, when the radio station went on the air. The radio station, established for the Parkers, enables students to gain a practical knowledge of both production and broadcasting skills. The station's policies were approved by the Board of Education.

W.P.H.R. is on the air Monday through Friday from 10:45 a.m. till 3 p.m. It also broadcasts all football and basketball games and home swimming meets.

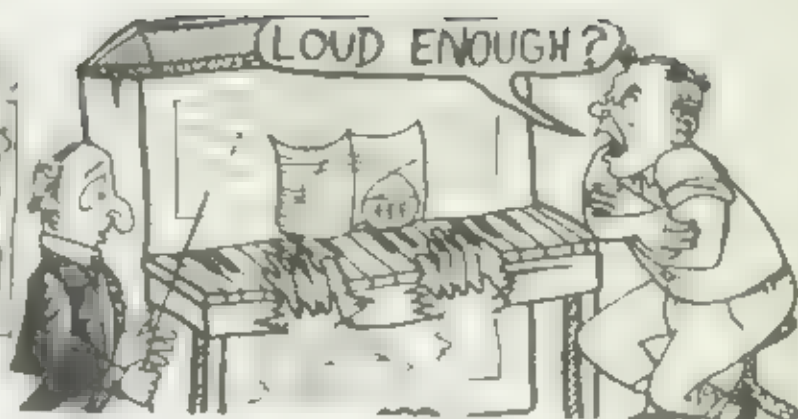

Students taking radio speech have an opportunity to learn the basic fundamentals of the radio. This class enables them to gain a practical knowledge of both production and broadcasting skills. Such as: producing sound effects, learning commercials and learning the techniques of the "mike."

THAT ONE IS YOURS!

(LOUD ENOUGH?)

Drivers Training

Each year approximately 216 students benefit from the exceptional Driver Training course at Highland Park. These future motorists, after seventeen hours of behind-wheel training, receive a certificate, one-half credit towards graduation and have a practical knowledge of how to drive. Two cars equipped with dual-control are donated by local car dealers each year.

Piano Class

Gathered around the keyboards are Parkers with a keen interest in music. Classes are offered for the beginner and advanced student.

Stage

Two girls from Mr. Mack Palmer's stage class are assisting in the success of a production by providing the proper lighting.

ACTIVITIES

THIS IS SCHOOL SPIRIT

THIS IS SCHOOL SPIRIT.

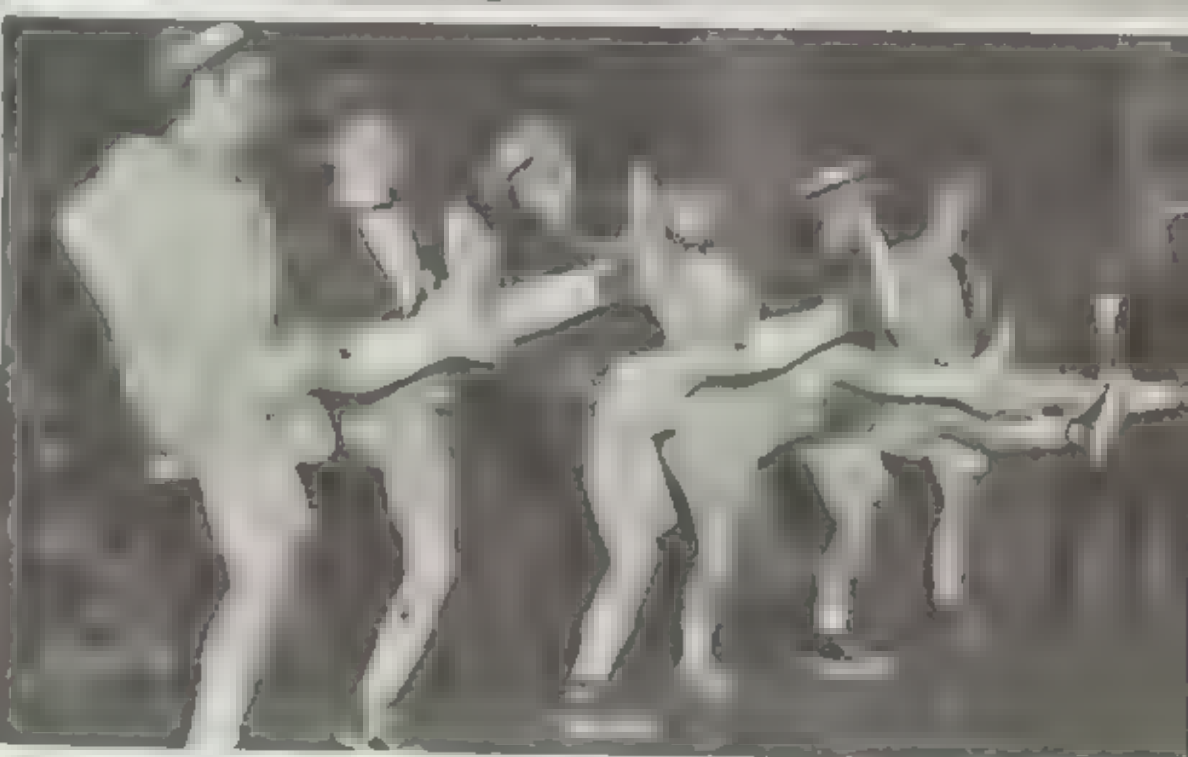

Lets Take A Holiday

With a "holiday" theme the senior class chalked up another successful carnival! Many hours of hard work were put into the annual senior affair.

Perhaps the two most popular shows and the two biggest money-makers were the auditorium show and the aquacade.

Fulfilling the roles of co-chairmen were Dolores Boyajian and Jim Munson, while Mr. George Green and Miss Pauline Harris were the faculty advisers.

Band

Under the direction of Mr. John Blanock, the high school band was quite busy this year playing at almost all Highland Park football games in the fall and providing much of the entertainment for the crowds during the basketball games.

In addition to these athletic events, the band participated in many other school programs such as the Spring Festival, the Senior Carnival, assemblies and concerts. Besides playing in many school programs, the band also appeared

out of school in a Halloween parade, the Goodfellow's parade, and a Detroit Lions' game. The band turned out an excellent performance in the Spring Concert.

During the summer and fall seasons members of the band had chances to attend music camps. Some of them received music scholarships to the various camps. The officers were: president, Bob Baker; vice-president, John Sumner; secretary, Van Chandler; treasurer, Glen Herriman; librarians, Pat Jacques and Dianna Severts; property, John Fraser and Forrest Marvin, and sergeants-at-arms, Thurman Taylor and Dick Yarmy.

Orchestra

For students with an interest in instrumental music, the high school orchestra provides great opportunities.

Under the direction of Mr. Dachoff, the orchestra provided much music during the school year for many different programs. Such programs included Youth Concerts in the elementary schools and participation in school assemblies, including the Christmas Pageant and Spring Concert. The annual formal orchestra concert this year highlighted this group's activities. The concert was rated highly by both students and faculty.

"Rumanian Folk Dances" for string orchestra, "La Vie Parisienne" and "Voices of Spring" were a few of the numbers on the concert program.

The orchestra also went to Ypsilanti on February 25 for the Band and Orchestra Festival at which groups from Southeastern Michigan played. The required Class 'A' orchestra number was "Intermezzo" from "L'Arlesienne Suite No. 2" by G. Bizet. Others played by the 40-member orchestra were "The Golden Sceptre" and "Suite of 17th Century Dances."

The officers for the 1954-55 season were Frank Donar, president; Carop Usher, vice-president; Ruth Lampman, secretary; and Fredrika Stubbs, treasurer.

Christmas Pageant

Featured in the annual Christmas Pageant were the Concert Choir, Male Chorus, Treble Clef, Orchestra and ten choral readers.

The Pageant, one of Highland Park High's cherished traditions, was divided into two parts. The opening part consisted of musical numbers by the Concert Choir and Male Chorus under the direction of Mr. Keith Sturdevant, the Treble Clef under the direction of Mrs. Marion Kintz and the orchestra under the leadership of Mr. Dacho Dachoff.

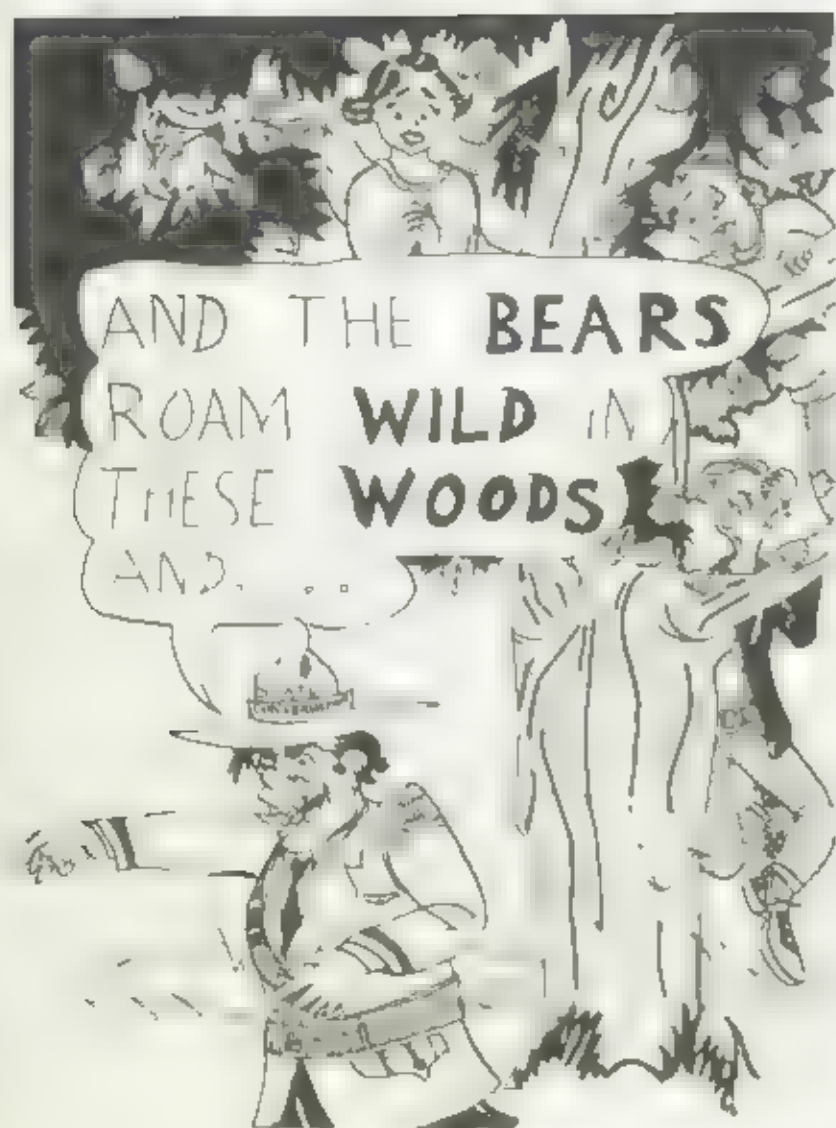

Theme of the second portion of the Pageant was the dramatic story of the Nativity. Narrating the Biblical story were ten choral readers under the supervision of Mrs. Mary Kay Fraser.

Handling the artistic touches of the tableaux were Mrs. Cyril Miles, Mrs. Florence Rahles and their staff. The technical crew was under the direction of Mr. Mack Palmer.

9A Camp

9A CAMP

Many experiences were had by all 9A's this past year when they took the annual week of camping that is offered to them by the school. The camp, which is located in the Cedar Lake Recreation Area, provided them with plenty of room to move around and get acquainted with nature.

The campers were divided into groups and took two hikes every day into different parts of the area. The Conservation part of the program was handled by Conservation officers who are well trained and skillful in their field.

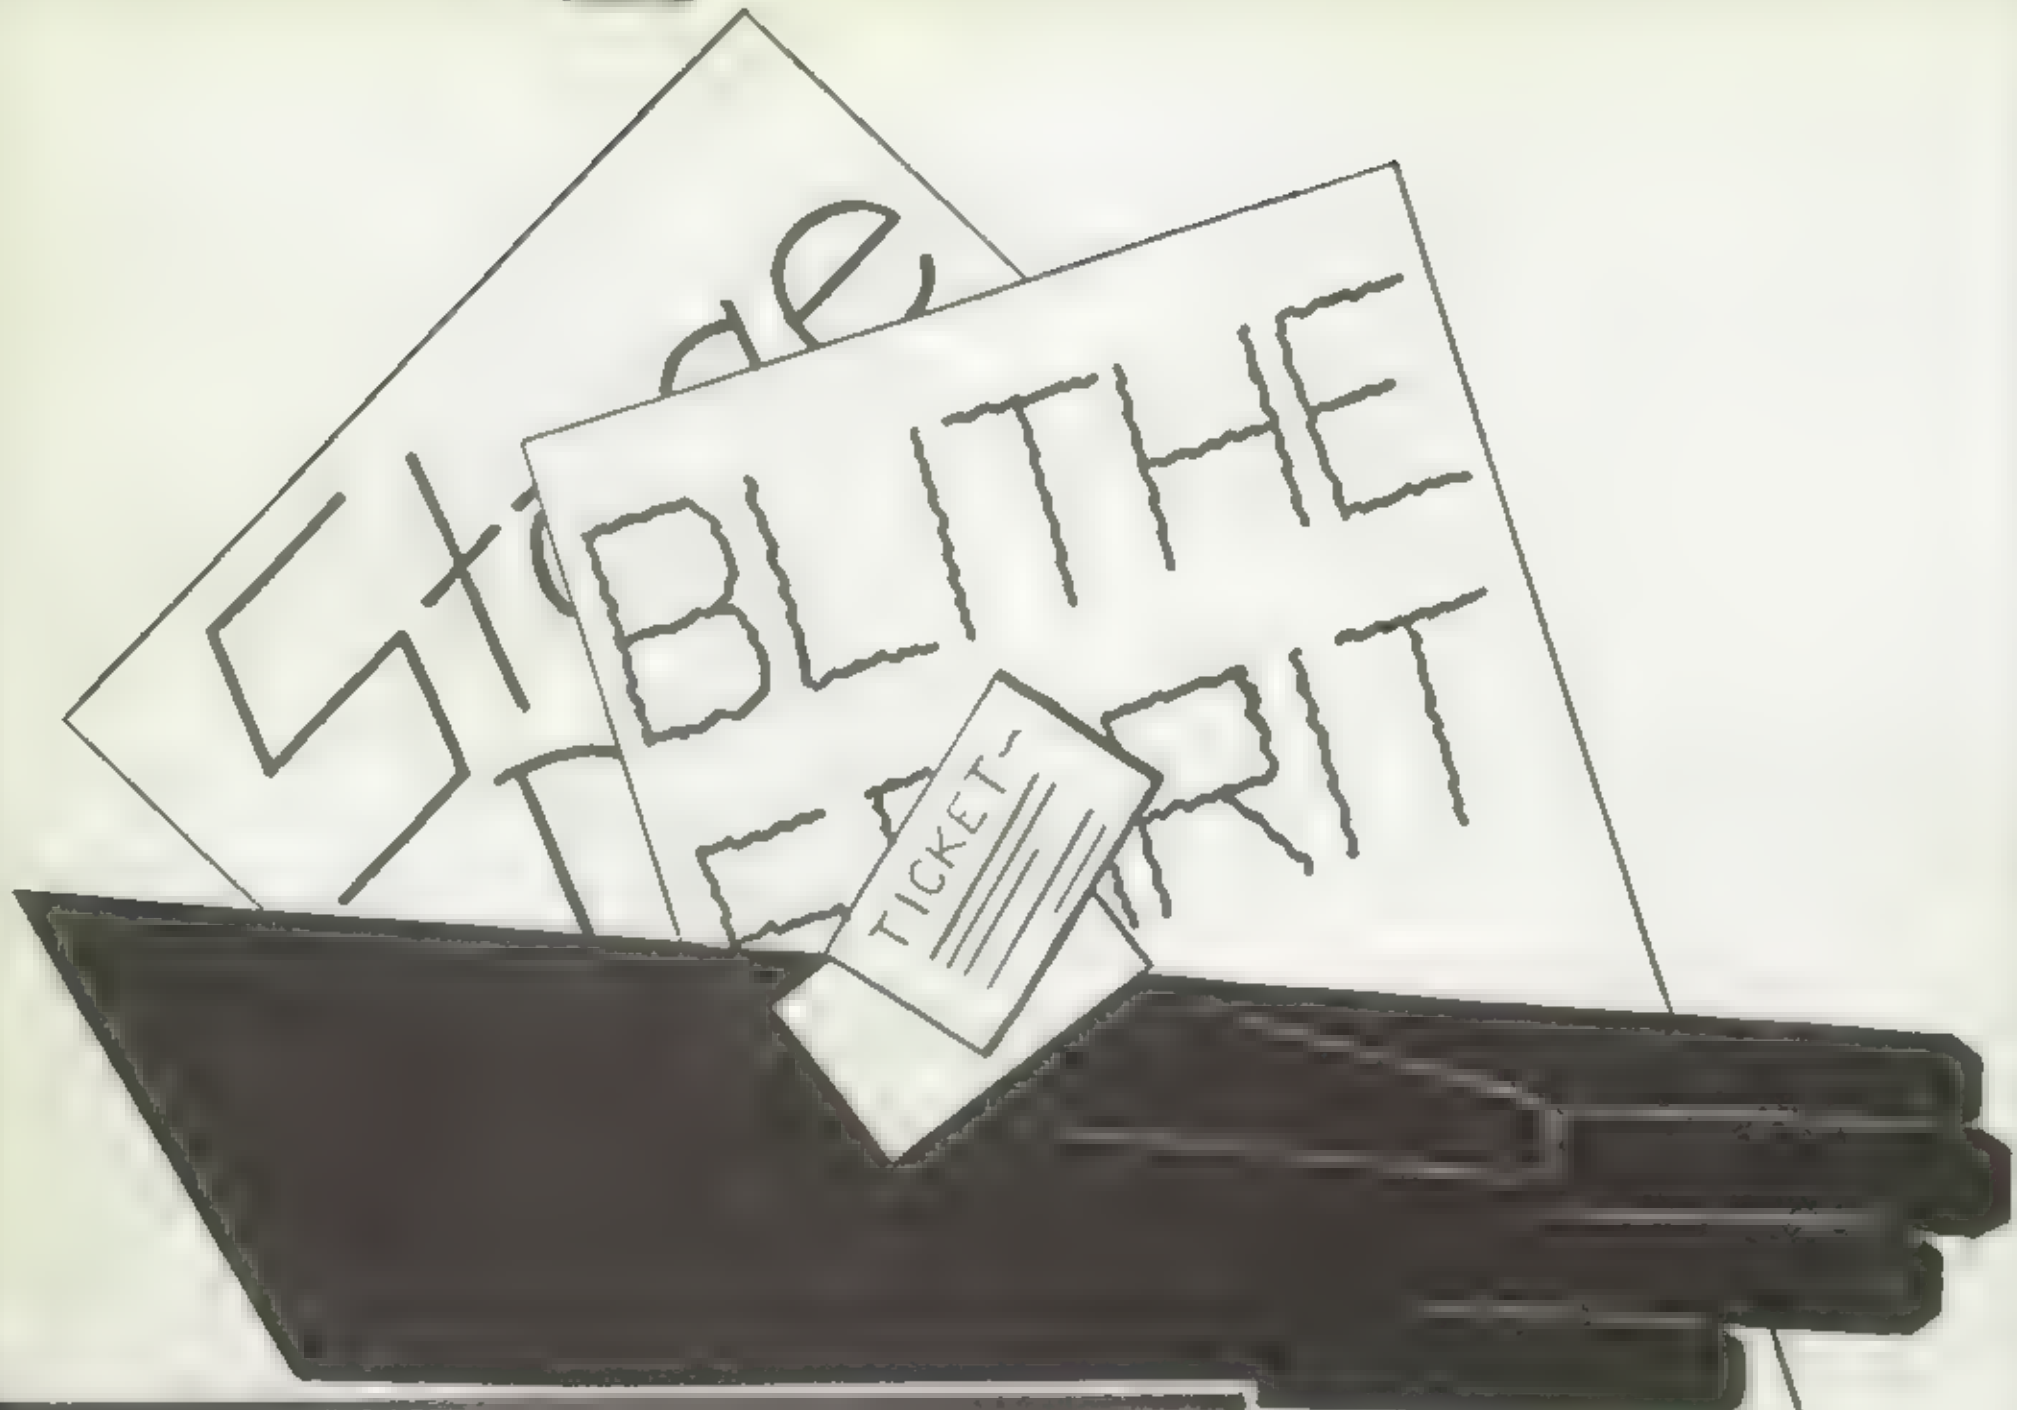

Of course everyone had their turn in the kitchen learning how to do "K.P." Many students cut the cost of the trip by earning money through different homeroom projects. Some of these included bake sales, dances, selling pencils, and many other money-making activities.

The students' rise and shine time was 7 a.m. each day. Then they went up to the dining room to salute the flag and have breakfast, after which they started their day's program. Every day a different group took care of the entertainment for that evening. The entertainment for the different nights consisted of a hayride, a treasure hunt, a variety show, dancing, and a scavenger hunt.

After a long day of fun, the tired campers had their refreshments and turned in.

The camp is under the able direction of Mrs. Jean Baker, girls physical education department head.

Under the direction of Mrs. Mary Frazer, drama coach, "Stage Door" and "Blithe Spirit" were presented this year. Both were successes.

Highland Park is quite proud of its vocal music department, which is under the new direction of Mr. Keith Sturdevant.

The English Singers, led by Mr. Sturdevant and accompanied by Mrs. Helen Wortly, performed at our holiday assemblies, school productions, plays, the Pageant and other programs.

The Concert Choir was composed of eleventh and twelfth graders and they performed at many of the school assemblies throughout the year.

The Ensemble and the Treble Clef, both all girl groups were selected on their vocal ranges and abilities by Mrs. Marion Kintz and her accompanist, Mrs. Marion Hicks. They participated in activities throughout the year, but the spring concert was when the girls excelled highly.

WASHINGTON TRIP

Again this year the seniors of Highland Park laid aside their textbooks and school clothes, put on their best "bib and tucker" and embarked on the thirty-ninth annual Washington trip.

The trippers sold magazines, gift wrappings, and Christmas cards, and put on a January Carnival to help finance the trip. Working side by side with their fellow classmates they became acquainted with many more of them.

The trip was the result of hard work by both the faculty and the students themselves.

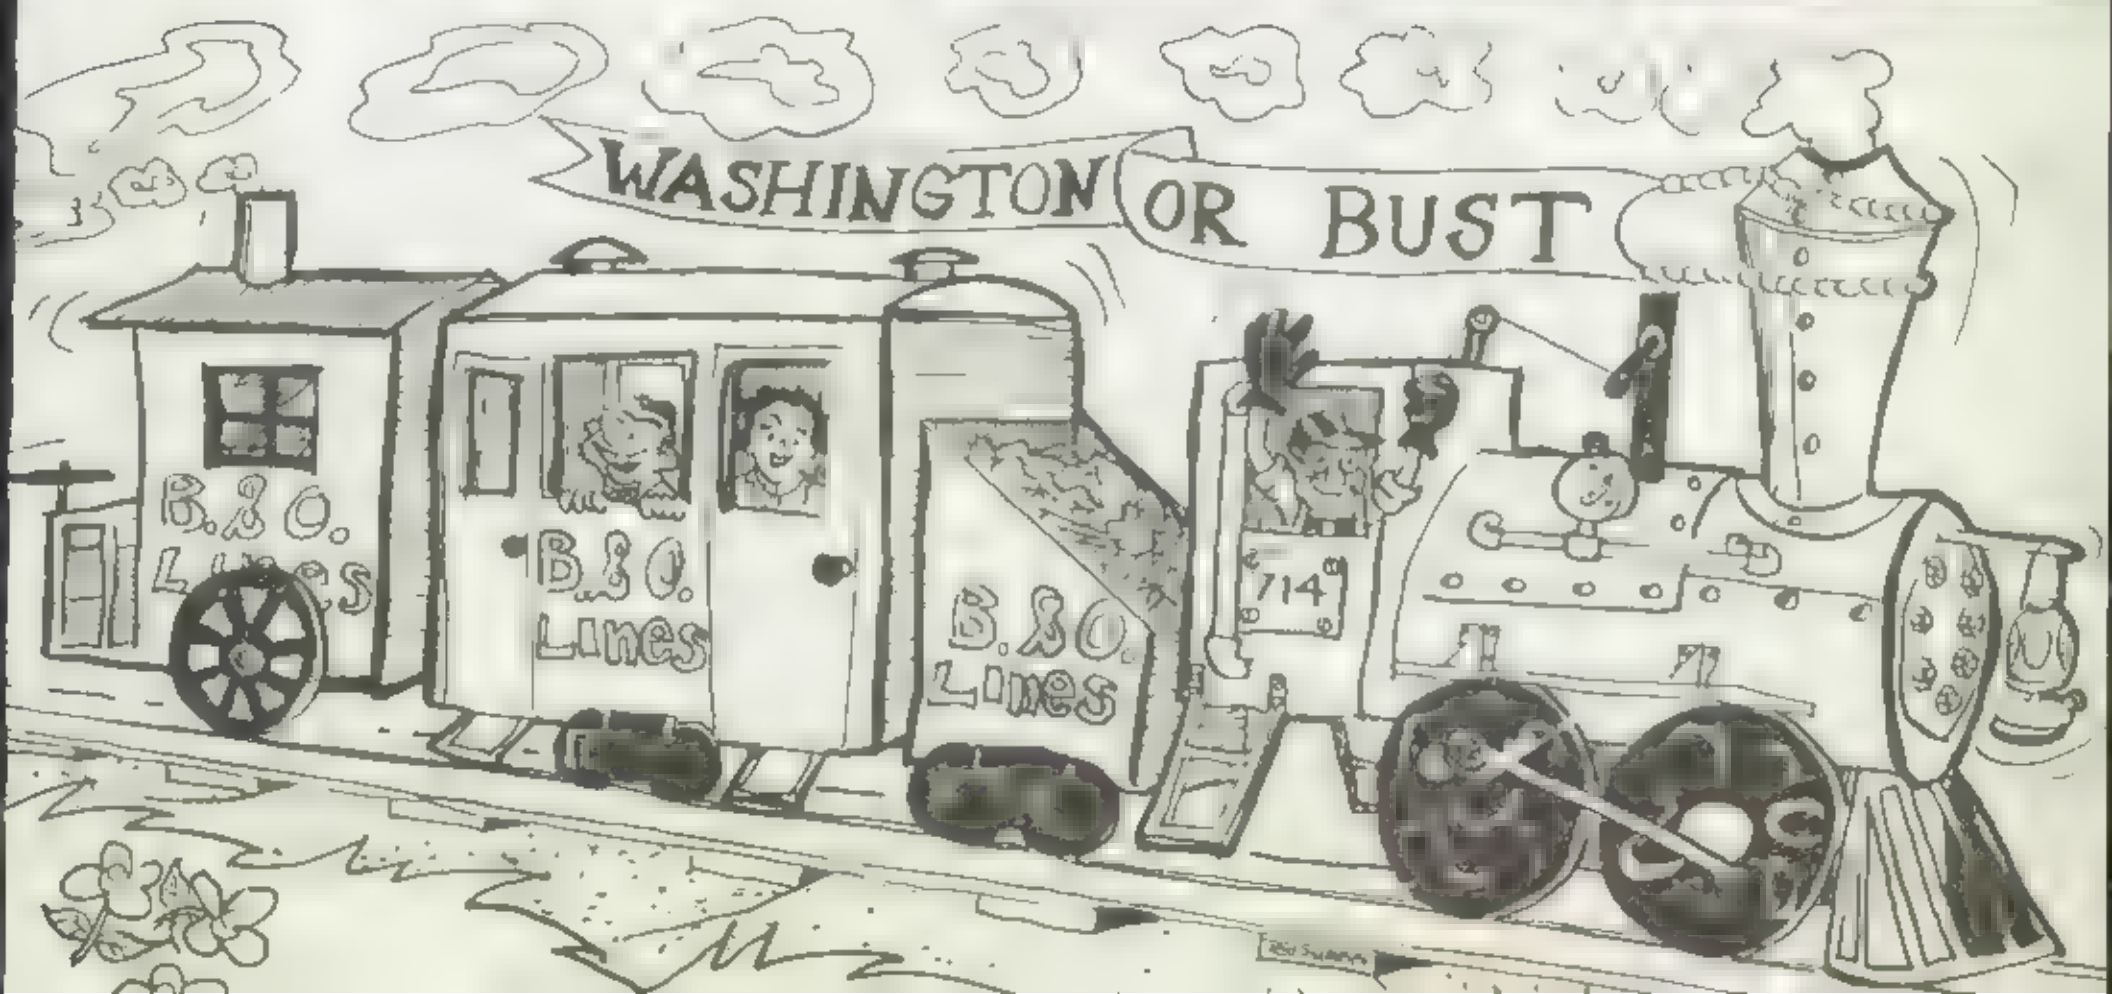

No wonder it is a trip long remembered after graduation.

"The Spectator" copped several awards for excellence this year.

The paper was selected as "best high school paper in the Detroit area" and "best letterpress paper" at the Wayne University Conference in December.

Also, Jennifer Pickering and Jeanne Coosaia won feature writing awards at the same conference.

The staff worked, except for two veterans, under a new editorial staff and new adviser, Mr. Joseph Miller.

The overall appearance of the paper changed. It developed an eight-column format. New features and new make-up styles also were incorporated.

STUDENT SENATE IN ACTION

Student Senate

Representatives changed the name of the student governing body from Council to Senate this year.

The Senate functioned under six major committees: Welfare, Elections, Activities, Publicity, Organization and a new addition, Honor Society.

Accomplishments of the government group included supervision and sponsoring of class elections, conducting welfare drives and presenting topnotch pep rallies.

Gerald McLellan was president of the Senate this year. Other officers were Caesar Mailanen, vice-president Pat Fox, treasurer Carol Yapp, secretary; and the adviser was Miss Mary Campbell.

Yearbook Staff

At the end of the school year everyone awaits with keen anticipation the school yearbook, the Polar Bear. This year besides the literary and art work, the staffers managed to shape into form an "All Star Variety Show" to open their first sales campaign of the year. However, it was not all play and no work. Besides this show there was the scheduling of pictures, making up layouts and the selling of subscriptions and ads.

The Typographical Society is one of the most important organizations here at Highland Park High School, although it is not too well-known. The group is made up entirely of boys who print every hall pass, tardy, absence and consultation permit, report cards and programs for all Highland Park High's activities.

The boys took field trips throughout the year to different printing establishments.

A yearly banquet was held last December in honor of the boys in the printing department and the Typographical Society.

The officers were George Vestevich, president; Jim Boyle, vice-president; Gordon Justusson, secretary, and Bob Norsworthy, treasurer.

Mr. James Stark is the sponsor.

Having the distinction of becoming the first Tri-Hi-Y club in Metropolitan Detroit, the Highland Park Tri-Hi-Y held its induction ceremony in early February.

This service club was composed of twenty-five girls. Members took part in the Hi-Y state legislature and conferences at Manistee and Camp Ohiyesa.

The officers of the club were Ruth Lampman, president; Pat Pier, vice-president; Betty Thompson, secretary; Sharon Olds, treasurer, and Nida Cooksey, chaplain. Mrs George Stevenson was the club's adviser.

Organized as a pool of reliable projectionists who would be able to operate movie equipment in the school and earning the right to run movie equipment with an official license distributed by the Bell and Howell Co. are the aims of the Movie Operators club.

The officers were Pinkney Durham, president; Bill Neary, vice-president; Danny Beauregard, secretary; and Carl Burkenhart, treasurer. The adviser was Mr. George Hoyt.

"To create, maintain and extend throughout the home, school and community high standards of Christian character," this is the purpose of the Hi-Y club.

The Highland Park Prima Hi-Y club took part in the Hi-Y state legislature, sending Bill Bright as senator from the district. Members also have taken part in a New Year's Dance sponsored by the Hi-Y council, a conference at Camp Ohiyesa, and outings at Camp Dearborn.

The officers of the club were: Dave Parks, president; Joseph Alvey, vice-president; Bill Bright, secretary; Phil Pixley, treasurer, and Jerry Abee, chaplain. Mr. John Kulju was the adviser.

To become a member of the Lettermen's Club, a student has to earn a letter in one of the varsity sports offered at Highland Park High.

The main goal of this organization is to promote better sportsmanship in the school.

One of the most successful and fun-filled dances of the year was again sponsored by the Lettermen's Club in co-operation with the G. A. L. "The Fowl Ball" featured a chicken contest and a turkey chase.

The International Club was one of the most active in the school. Its purpose was to help foreign born students get acquainted in America and help promote good will among all peoples by better understanding and helping others.

The Barakat family reigned over the club. Joe Barakat was president first semester. His sister, Leila, presided second semester. Takis Pappas was vice-president, Carolyn Laidlow, secretary and Nitsa Sparis, treasurer. Mrs. Murphy was adviser.

The Girls' Athletic League was organized in 1949 and has been going strong ever since. It is a club composed of girls who have participated in a sport of some kind.

G.A.L. members hold dances and athletic activities which keep them quite busy. The money earned from these activities went to different charities.

Officers of the G.A.L. this year were Adana Grant, president; Nancy Nealon, vice-president; Beverly Register, secretary, and Anne Burdette, treasurer. Mrs. Virginia Berryman was adviser.

At weekly meetings the Intercultural Club had discussions, speakers, and movies pertaining to human relations. They sponsored a class of Navajo Indian children in Shiprock, New Mexico. The club also presented an assembly program during Brotherhood Week. The Highland Park High School was represented in the Detroit Junior Round Table of Catholics, Jews, and Christians by some members of the club.

Their officers were Betty Jean Robinson, president; Charles Zaidan, vice-president; Nancy Bright, recording secretary; Flora Smith, corresponding secretary; and Sue Ann Peagram, treasurer. The faculty sponsors were Miss Harriet Bernbaum and Mr. Harvey Jackson.

Shown below from left to right are: (first row) Betty Robinson, Shirley Snipstad, treasurer, Flora Smith, corresponding secretary, Bette Moore, president, Joy Dennis, vice-president, Grace Frazer, recording secretary, Lavenia Robinson, (second row) Harvey Jackson, Sue Ann Peagram, Carolyn Matthews, Jane Murdock, Eleanor McIntosh, Alfred Bernardi, Lenda Burkeen, Bettie Bail, Mary Congleton, Harriet Bernbaum, (third row) James Jefferson, Theala Williams, Delano Esselman, Betty Bjorn, Elizabeth Trent, Ron Harden, Iris Dunn, Titus McClary, Zinzell Stevenson, Beverly Brooks, Nancy Climer.

Main purpose of the Chess club was to play chess and to teach new members how to play. The club was started a year ago this last January and soon they hope to go into competition with other schools.

The officers were Ted Foronda, president and Eugene Winkler, secretary-treasurer. Mr. James Linville was the club's adviser.

The Biology Club under the supervision of Mr. Kulju had a well-balanced program for the year. They planned field trips, movies, slides, and laboratory experiments. The fall field trip at the School of Veterinary Medicine, Michigan State College was a highlight of the year. The club also had guest speakers at their meetings.

The Biology Club elects new officers each semester. The officers for the first semester were Gordon Cleary, president; Sue Williams, secretary and Dale Bouldrie, treasurer. The officers for the second semester were Gerald Earles, president; Margaret Wonacott, vice-president; Sue Williams, secretary and Jan Weimer, treasurer.

Shown below from left to right are: (first row) Myrna Melone, Ruth Lampman, Margaret Wonacott, Harry Etienne, Gordon Cleere, Dale Bouldrie, Carmen Cochran, Martha Krowczyk; (second row) Avin McCracker, Carole Robinson, Marilyn Roth, Bell McPherson, William Hicks, David Bentley, Peggy Benser, Pat Pier, Pam Davies, Mr. Kulju; (third row) Fred Korn, Jerome Zarembski, Pat VanDerHoven, Eric Mezger, Robert Stonehouse, Allie Restum, James Harper, Lee Alvey, Jerry Earles, Jean Broberg; (fourth row) Jan Weimer, Charles Brown, Hal Raines, Dave Johnson, Bob Boal, Ronald Peterson, Bon Wonacott, Loy Barker, Michael Preston, Gary Black.

C.A.P.

Shown above is the Civil Air Patrol giving attention to the flag at one of their Wednesday night practices.

Every Tuesday from 7 until 9 p.m., the Highland Park Civil Air Patrol could be seen practicing for the many drill contests in which they successfully participated. The group, in its drill competitions, went all the way to state finals, where it tied with Romulus' C.A.P. for first place honors.

Besides drilling, the thirty members learn many pointers in the field of aviation.

For outdoor activity in the summer, many of the C.A.P. members will trek to the Selfridge Air Force Base for two weeks of advanced aviation.

Shown below from left to right are: (first row) Sara Amos, George Grozd, Alberta Shirley, Raymond Blake, Marie Michal, Paul Mischakoff, Eddie McCox; (second row) David Carrick, Robert McConnell, Dave Warren, John Aranyas, Paul Johnson, Mr. Ericson; (third row) John Dunn, Tom Wrighton, Loy Barker, Raymond Chiso, Al Restum, Eugene Winkler, Bob Hart

Science Club

Here is a club for all science enthusiasts! Highlights of this year's activities were films, lab experiments, demonstrations and a trip to the Junior College chemistry lab. The Science Club also had speakers from the Junior College Chemistry and Science Department who gave information about the offerings of the J. C. Science Department. Its aim was to obtain a closer tie up between the high school and Junior College.

The club elected Ray Blake, president; Marie Michal, vice-president; and Alberta Shirley, secretary. Mr. William Erickson was the club's adviser.

Audio-Visual Club

Stimulating an interest in all phases of nursing, the Future Nurses Club helps girls meet entrance requirements to an accredited school of nursing.

Also, the club provides them with accurate, up-to-date information about the nursing profession.

Under the guidance of Mrs. Helen Koltonski, adviser and nurse, the girls took hospital trips, heard guest speakers and saw films on different nursing schools at club meetings.

This organization, though not in the limelight, had many accomplishments to be proud of.

One of the most exciting for these members was the privilege to use the brand new \$1,500 Bell and Howell projector recently acquired by the school. Since the major part of the movie operators time deals with the management of every movie in the school, the members were seen constantly caring for the projectors and film.

The adviser is Mr. Leonard Demak. The officers were Richard Slagle, president, and Marvin Ditsch, secretary.

Shown below from left to right are (first row) Sharon Linton, vice-president, Adana Grant, president; Ann Liu, secretary; Sheran Arcaris; (second row) Mr. Miller, Fred Korn, Dale Robertson, Arlene Mulligan, Helen Hattain.

Quill & Scroll

Some of the activities of the Red Cross Club were on the international scale. These include sending gift boxes to needy schools around the world and preparing scrap books describing the life of American children, our schools and our recreational facilities.

The members, however, did not experience all work and no play; they enjoyed cook-outs, square dances, song-fests and many other activities.

Main project of Quill & Scroll Society, journalism honorary, was the formation of a Border Cities League Journalism Conference.

Purpose of the conference was to provide journalists an opportunity to discuss problems of publication of newspapers, yearbooks and literary magazines.

Officers of the Addison & Steele Chapter of HPMS this year were Adana Grant, president; Sharon Linton, vice-president; Ann Liu, secretary, and Carol Vosburgh, treasurer.

Spanish Club

An annual initiation banquet with members dressed in Roman togas and wearing laurel wreaths highlighted the Latin Club's activities. It also participated in a dinner which all language clubs of the school had. Besides these activities, the club sponsored "Latin Week" and enjoyed cultural films of the different Romance-speaking countries.

The officers were Sylvia Boyd, president; Roger Dunn, vice-president; Carlie McLellan, secretary; John McLoskey, treasurer; and Wayne Ries, parliamentarian.

Spanish movies, parties, bake sales, field trips and an unusual initiation highlighted the many activities of the Spanish Club. At Christmas time they gave a basket of food to a needy family. The Spanish Club is composed of members of Spanish classes who qualify for membership.

The officers of this club were Rhea McGrath, president; Evelyn Dunn, vice-president; Pat Forehand, secretary; and Barbara Owen, treasurer. Mr. William Valade was the club's faculty adviser.

This year the German Club boasted ten members who worked hard under the direction of Mr. Harold Simon. A German Christmas party in true German style and a dinner were held at the homes of some of the members.

The club promotes the culture, music and customs of the German people. They try to use an informal manner at each of their meetings and like to catch up on the latest German popular records.

Under the direction of Mrs. Rosina Roy, the French Club enjoyed many group activities. Some of these were sending CARE packages to France, a rummage sale and making baby clothes for the French counselor's new baby. The French Club consisted of members from the different French classes.

The officers were Mary Seropulos, president; Carol Ann Carter, vice-president; Margie Pearsall, corresponding secretary; Faye Smith, recording secretary, and Gary Demark, treasurer.

The debate team made many advances this year with only one veteran returning to the team.

The varsity team, consisting of Judy Wilbur, Adrienne Kirk, Barbara Perusek and Fred Korn, alternated throughout the season with members of the reserve team to provide new cases and dilemmas for their opposing team.

The 1954-55 topic dealt with a free trade policy throughout the free world.

Mr. Merle Smith is the debate coach.

Shown above are (first row): Carry Nelson, Seleatha Cartwright; (second row) Marie Murtanen, Charleen Lambert, Sharon Wilson, Rhea McGeath, Rosalie Throgmorton; (third row) Helen Siounian, Rosalie Lawrence, Julie Peterson.

Modern Dance

One of the newest clubs in the school is the Modern Dance Club. It was organized in November, 1954, by a group of girls in the modern dance class. Under the direction of Miss Marilyn Yarmain, the girls study composition and technique of dancing. The girls worked with Miss Yarmain and the club's student assistants, Julia Peterson and Helen Siounian, in composing dances. There were twenty-five members.

The girls' spring concert, "Dance Fantasy," was presented on April 1. The club also performed at the P.T.A. Founders Day Banquet. Besides these programs they performed not only for school business but for outside groups as well.

To raise club standards this year, Forensic members emphasized speech making at meetings and attended more conferences. The result was a broader program for the group.

Most popular dance of the year at HPHS, "The Spinster Spin," was sponsored by Forensic members.

Officers of this year's group were John Sumner, president; Dale Robinson, vice-president; Virginia Schuler, secretary, and Bob Handley, treasurer.

Mr. Merle Smith, speech instructor and debate coach, was adviser.

Thespian Club

Re-establishment of the miniature theater and frequent visits to professional plays were the main projects throughout the year for the Thespian Club. With twenty-seven members, the club, under the leadership of Mrs. Mary Fraser, worked on two productions during the year. The club admitted no new members until they had earned the required ten points to be a Thespian.

The officers were Janet Poe, president; Dale Robinson, vice-president; Helen Haitaian, secretary, and Margie Koivu, treasurer.

Returning to the state basketball semi-finals tournaments in East Lansing for the fifth straight year, led by Coach Jim Wink, the fabulous Polar Bears gained a feat no other school in Michigan can match.

The Parkers, for the fifth season in a row, won the Border Cities League Championship, the Ferndale Regionals Championship and the Quarter-Finals, but bowed to Jackson in the Semi-Finals.

Although the Parkers went down in defeat in the Semi-Finals, they finished with a record of 16 wins and 3 losses.

The swimming team, coached by Mr. Ray Mondro, finished the season with 3 wins and 9 losses; but they have something to be very proud of, for they broke 5 school records. Tim O'Rourke and Pat McKeown were the co-captains of this year's team.

The Parker mermaids stroked their way to victory 4 times against a record of 2 losses. Coached by Mrs. Virginia Berryman, the girls displayed good sportsmanship and team spirit. Co-captains were Beverly Register and Glenda Casey.

Above from left to right (first row): Susan Luoma, Carol Watt, Carol Yap, and Carol Robinson; (second row) Georgiana Toler, Carole Lapham, and Miss Marjorie Peiper.

Below from left to right (first row): Rosalie Throgmorton and Marie Murtonen; (in air) Marietta Talliani and Rosalie Lawrence.

GIRLS' GOLF

The girls' golf team finished their season with 3 wins and 2 losses. Carole Lapham was considered one of the best golfers as she played first round. Other members of the team were Susan Luoma, Carol Watt, Carol Robinson, Georgiana Toler and Carol Yap.

MODERN DANCE

Modern dance class offers H.P. girls a chance to gain poise and confidence in themselves. It also gives the girls a chance to exercise their creative imagination in working out new choreographies. They displayed these efforts in their annual dance concert sponsored by Miss Marilyn Yarmain on March 31.

Shown above from left to right are: (first row) Fernando Bojorquez, Loyde Barker, Larry Burkhart, George Duncan, Dick Brown, Van Chandler, John Kachadourian; (second row) Joe Beattie, Ben Wilson, Jack Reynolds, John McMeekins, Virgil Hill, Thurman Taylor, Chuck Munyan; (third row) Jim Stephens, Joe Wussells, Bill Reed, Dom Pallazzolo, Dave Northcross, Ron Robertson, Bill Chestnut.

Under the coaching of Mr. Alan Hutchins, the Highland Park High School's baseball team with seven wins and five losses, placed second in the Border Cities League.

Top hitter on the team was Catcher Joe Wussells, whose batting average of .316 helped in the winning of games. Another factor toward success was the great job of pitching done by George Duncan and Jack Reynolds.

Dick Brown, captain of the team, who had the second highest batting average of .262, aided his teammates with a fine job on first base.

Returning to the team this year were Don Palazzolo, David Northcross, John McMeekins, Fernando Bojorguez, Joe Wussells, Bill Reid, Virgil Hill, and Ben Wilson.

Coach Jerry Raymond returned to his alma mater, and along with his new assistant, Coach Dan Sestak, took over the reins of the Highland Park High School 1954 football team. Despite its efforts, the Highland Park eleven lost all eight of its scheduled games. The loss record now stands at twenty-four straight in three years.

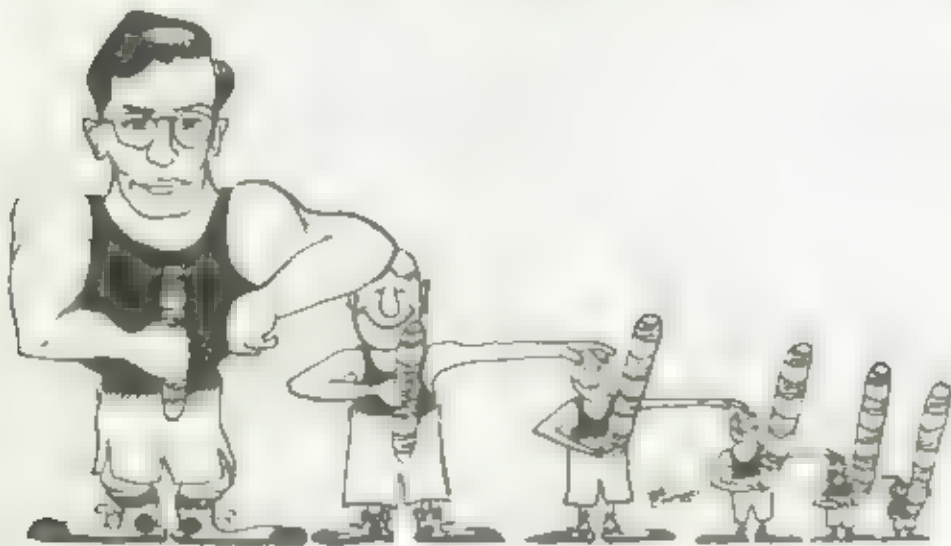

Bob Binkleman was elected captain and Dave Northcross was chosen as the best defensive player by their fellow teammates.

Graduation claimed fifteen Highland Park High gradidders. They are: Phil Baia, Bob Binkleman, Bill Coger, Luke Collins, Van Chandler, Phil Hay, Tom Lewis, Joe Lynch, Raban McHenry, Jim Munson, George Rakolta, Bill Reed, Bill Scott, Jim Stevens and Dick Yarmy.

Managers this year were Tom Pride, Gerry Lauden, and Paul Chilian.

The track team, under the direction of Coach Edward McMullen, finished second in the Border Cities League with four wins and two losses. Winning meets were with Grosse Pointe, Monroe, Wyandotte, and Hamtramck, but the Parkers dropped decisions to Royal Oak and Fordson.

Trackmen who were outstanding in the 1954 season were: Leroy Blont, William Coger, Co-Captain Terry Dumas, Jerry Fields, Phil Hay, George Lee, Joe Lynch, Jim Munson, Rabon McHenry, Co-Captain Doug Runnels, Willie Russell and Varkes Tadian.

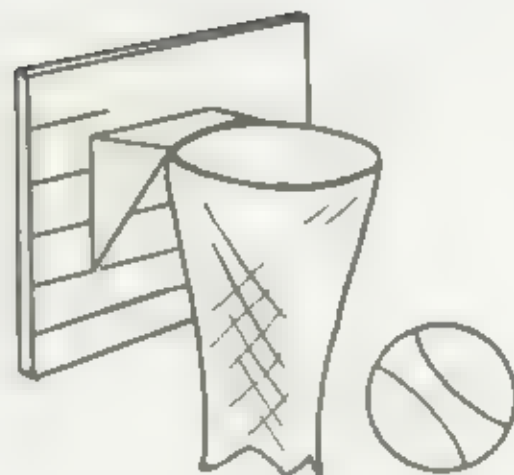

Although the Highland Park Boys' Tennis team, under the coaching of Mr. Ray Mondro, only won one meet and lost nine, they placed third in the State Regionals and gained valuable experience for the 1955 season.

The girls' tennis team began their practice early in April. Returning to practice from last year's team are Anne Burdette, Margie Pearsall, Jill Arnold, Mary McLosky and Rosalie Throgmorton. The team was coached by Mrs. Virginia Berryman.

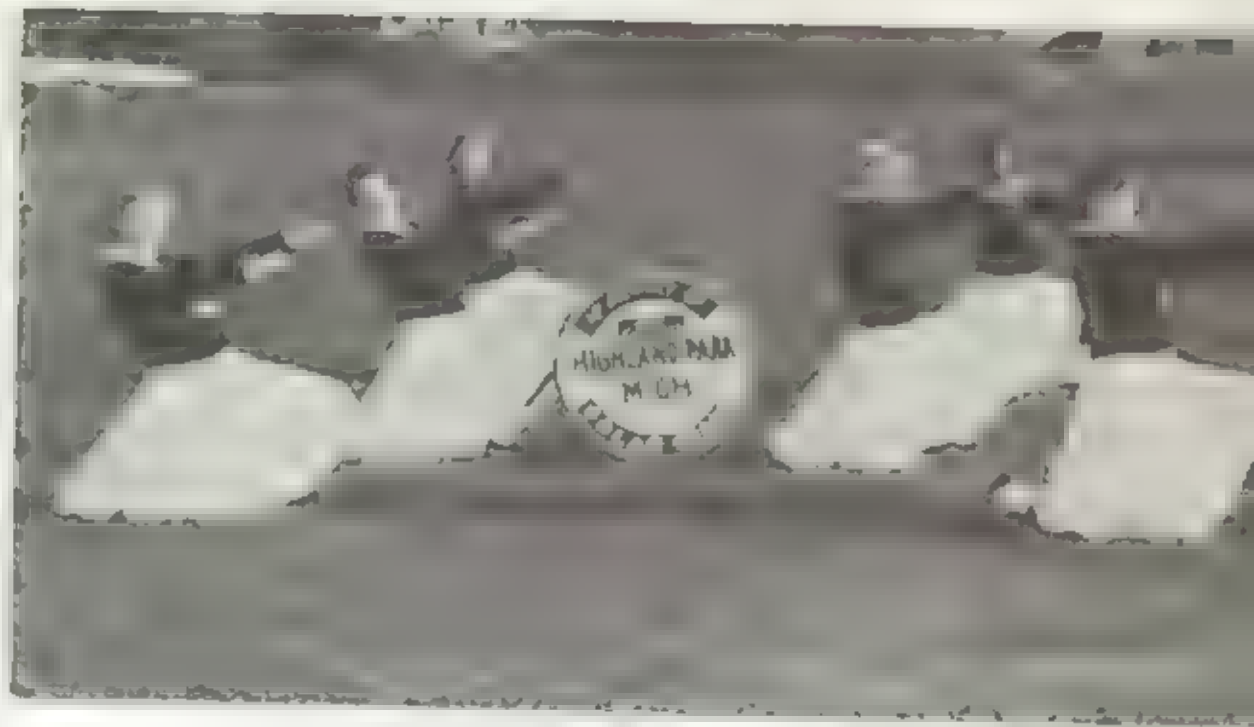

The girls' basketball team, coached by Miss Marjorie Peiper, completed their season with 1 win and 5 losses over Southeastern. Regardless of their record, these girls felt they learned to play a better game. This was accomplished through new techniques and greater teamwork.

One win and five losses was the record at the close of the season for the Girls' Field Hockey team. A tight game with Pershing brought the varsity's lone win, a 1-0 victory. The reserve squad lost three games, tied two, and won one. Pershing was loser to the reserves, too.

Graduation claims three regulars of the Hockey team this year. They are Sharon Morgan, Vertie Ellis, and Marilyn Niva.

The reserve cheerleaders cheer only at home activities. They also help keep up the school spirit during reserve games. Both varsity and reserve cheerleaders were coached by Mrs. Virginia Berryman. Unforgettable are the Polar Bears mascots who were always seen at football games dancing around and doing stunts. This year's Polar Bears were Suzee Menold, Anne Burdett, Florence LeFeuvre, and Beverly Oglesby.

Gathered around the Highland Park cheerleaders' drum, are the cheerleaders leading the H-I speller. This is only one of the many cheers which they lead at school activities. Some of these were football games, basketball games, pep rallies, and pep assemblies. Throughout the entire season, these girls have helped keep school spirit and good sportsmanship at its peak at Highland Park.

UNDERGRADS

THIS IS SCHOOL SPIRIT

Large body of students joined together in a common purpose
The words have been passed down for many years
Because they have been passed down for many years

With flying streamers, car horns honking, people yelling and all-over confusion, the 1954 Pep Rally got under way. The purpose of this rally was to get more people to attend the football games, to promote a stronger feeling of sportsmanship and to arouse more interest in activities at Highland Park High School.

The rally was sponsored by Homeroom Y, promoted by the City Council and backed by the Student Senate. It started with twenty-five gaily-decorated cars leaving the school playground and going to Ives Field, escorted by a group of police cars and motorcycles. These cars were entries for a contest that was to be judged at the rally. All cars were entered and decorated by different homerooms.

Following that everyone went over to the stack of wood piled around a pole from which a dummy of a Hamtramck football player was hung. The bonfire was lit and the cheerleaders moved around the fire and led the crowd in rousing cheers.

Casuals

During the fifth and sixth hour lunch periods there are many things to be observed. Some students just sit in Parker Hall, nibble their lunches and talk. Others hurry through their lunches to go sit on the stairs to talk.

In nice weather many of the students go for a walk or stand outside the main entrance. Handy seats are the railings in front of the school.

The more conservative students can be found in the study halls studying.

Something to remember . . .

Edison will help you . . .

- Plan your kitchen
- Select your lamps
- Do the laundry easier

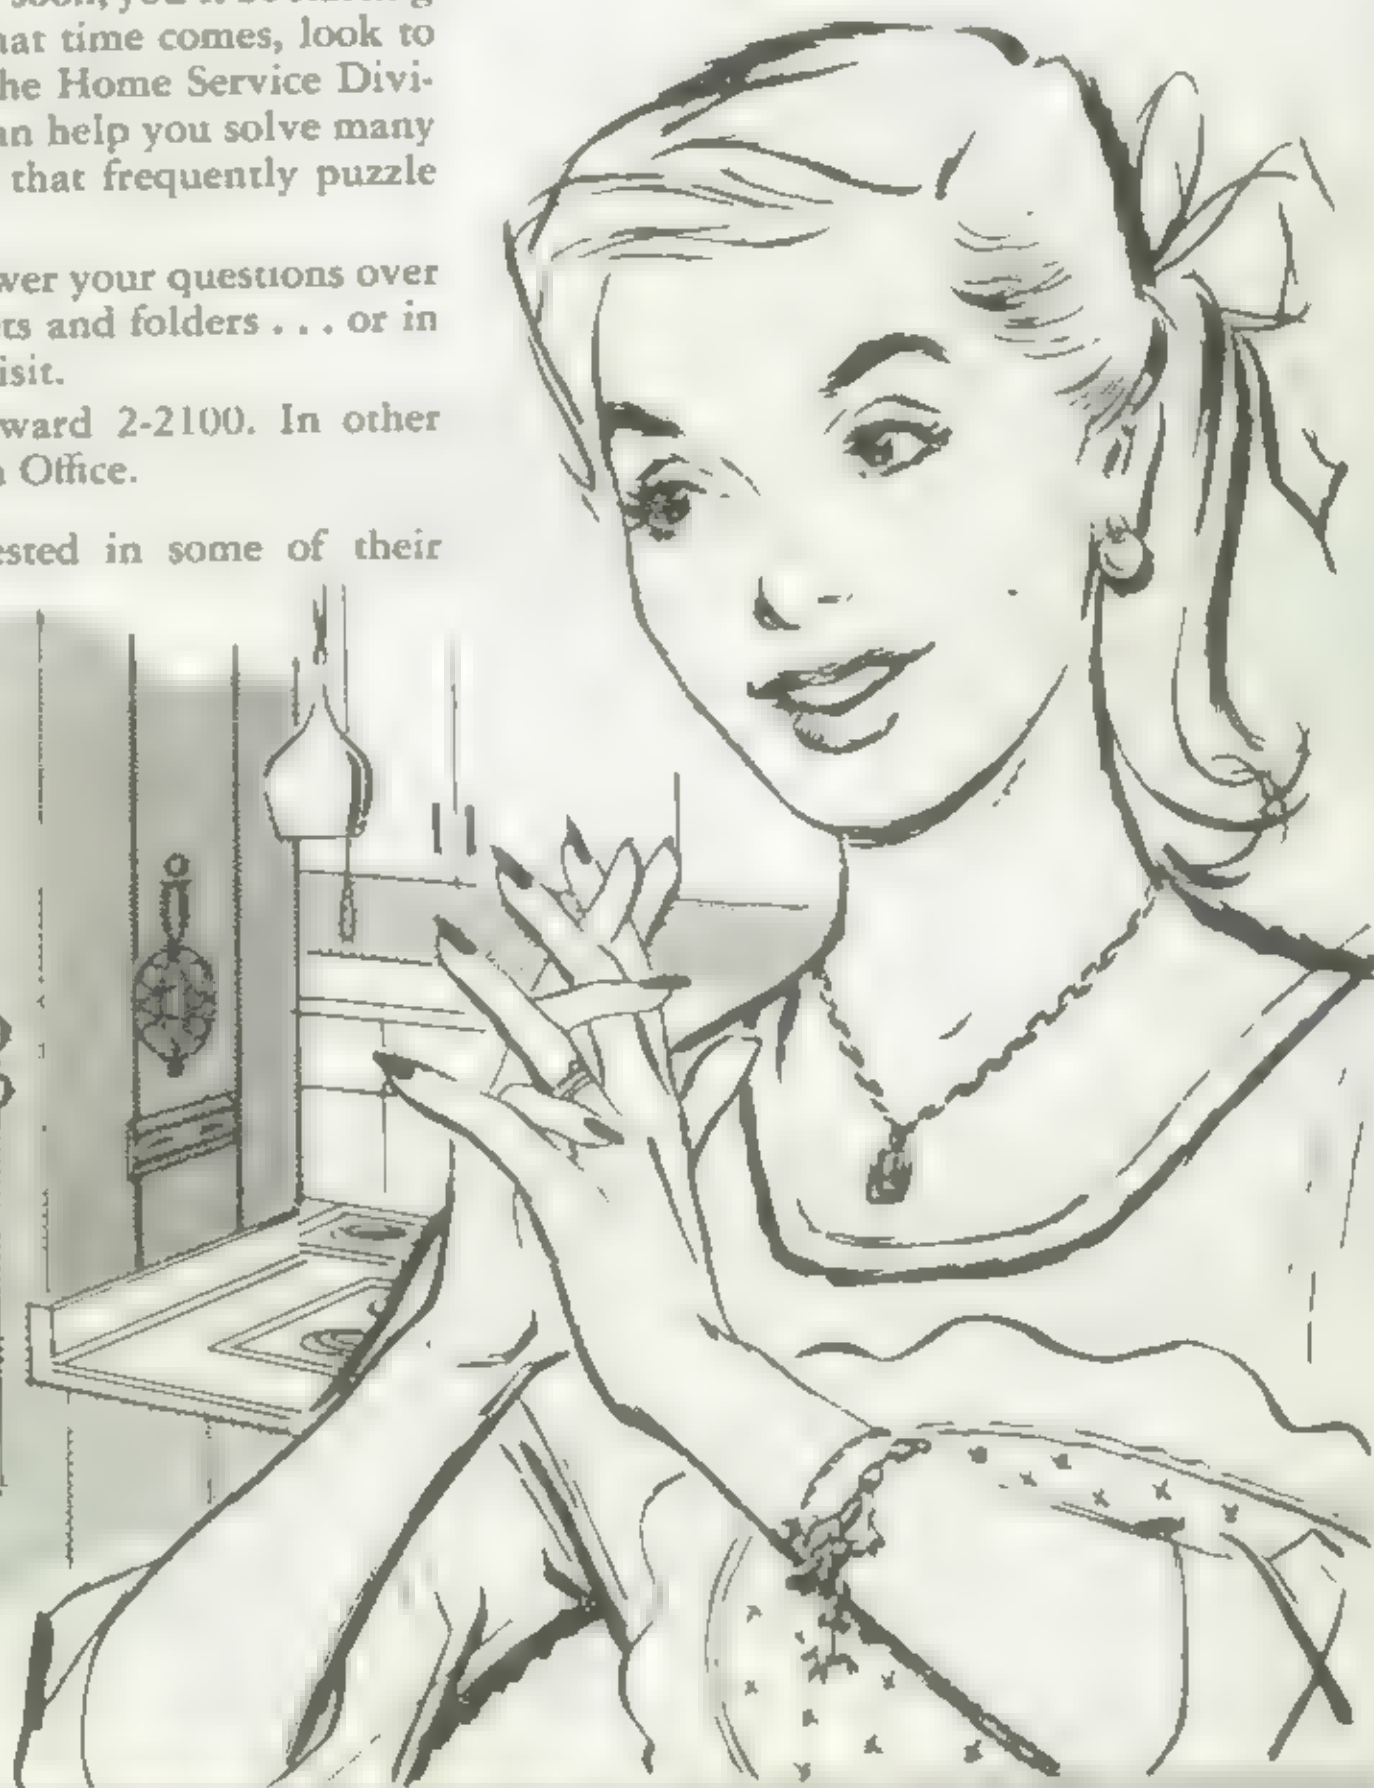

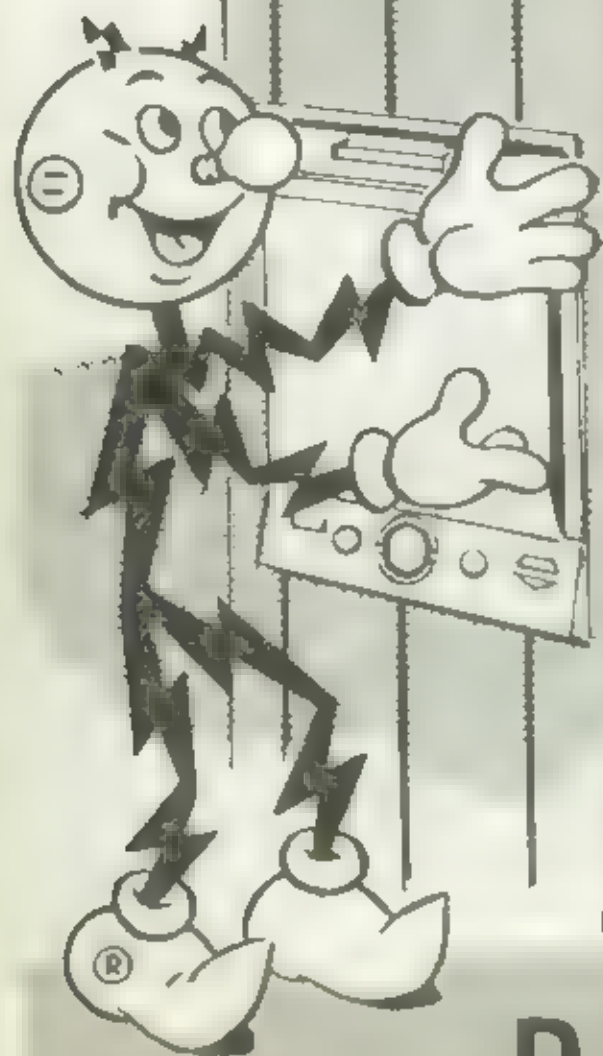

- Plan a menu
- Plan a one-dish meal
- Preserve foods easier
- Plan party refreshments

One of these days, perhaps very soon, you'll be starting a home of your own. When that time comes, look to the trained young women in the Home Service Division at Detroit Edison. They can help you solve many of the homemaking problems that frequently puzzle a new bride.

Without charge, they will answer your questions over the telephone . . . send booklets and folders . . . or in some cases make a personal visit.

In Detroit, telephone WOODWARD 2-2100. In other areas, call your nearest Edison Office.

P.S. Mother might be interested in some of their answers right now.

SOME JOBS ARE WORTH CHEERING

Take the Telephone Company, for example. Anyone who works for Michigan Bell will tell you it's everything a girl could want in a job.

First, you don't need any experience. You learn your job on the job, and earn a good salary while learning. Raises are regular and frequent. Your income is steady—you can always count on it—and you get annual vacations with pay.

Another nice thing about telephone work is that you'll associate with people your own age, just out of school, too. You'll work in clean, bright, pleasant surroundings. Whether you prefer to start as a telephone operator, a teller or a clerk, you'll find opportunities for advancement.

We'd like to tell you more about these and other interesting telephone jobs. Visit us soon, won't you?

The Polar Bear Staff with the assistance of a few of the student body initiated a new idea this year by opening their fall sales campaign with an All Star Variety Show done completely in pantomime.

Highly accepted by the student body, the fall sales soared high.

The general chairman for the show was Pam Merrill. The advisers were Mr. Joseph Miller and Mr. Alfred Burke. Plans were started for a show for the spring campaign.

Mission Accomplished

The yearbook copy and art staffs have completed many long hours of work. The results lay between the covers of this Polar Bear. Through our efforts we have strived to record the activities, events, and campus life of H.P.H.S. in this pictorial review of 1954-55.

We have enjoyed our work and would like to offer our sincere thanks to our advisers, Mr. Joseph Miller and Mr. Alfred Burke, for their fine cooperation and guidance, and to all other persons connected with the production of this annual.
